5. The final acceptance of the tender will rest with the Director of Public Health who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Director of Public Health will be final and legally binding.

12. The Department is not bound to give the whole work to the contractor who tenders lowest rates. In the interest of quick execution of work it may be splitted into different portions and distributed amongst two or more contractors at the lowest tendered rates.

Approximate estimate of quantities of work for leading the sewage from the present terminal of the ovoid sewer to the open flood water drain in Bangalore City.

No.	Items of work	Unit	Quantity

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources.

The Chief Electrical Engineer reserves to himself the right to refuse the lowest or any tender whole or part, without assigning any reason therefor.

Yours faithfully,
M. HAYATH,
For *Chief Electrical Engineer.*

OFFICE OF THE SUPERINTENDING ENGINEER.

Notification dated 7th November 1938.

Notice is hereby given that sealed tenders will be received at the Office of the Superintending Engineer, up to 3 P.M. on the 25th November 1938, for constructing Electrical Buildings at the following places. An approximate estimate of quantities is given below. These quantities are not guaranteed. The works should be completed by the 15th of March 1939.

AT T.-NARSIPUR—(MYSORE DISTRICT).

(1) Office and Stores Building.
(2) One Block of Operator's Quarters.
(3) One Block of Cooly Quarters.
(4) Two Units of Latrine.

AT GARGESWARI (T.-NARSIPUR TALUK).

(1) One Block of Cooly Quarters.

2. The plans, detailed estimate and conditions may be seen at the Office of the Superintending Engineer, Electrical Department, Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained from the Superintending Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 400 for buildings at T.-Narsipur and Rs. 50 for building at Gargeswari in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing Electrical Buildings at T.-Narsipur and Gargeswari" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted will be posted on the Notice Board in the Superintending Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Public Works Department or those fixed by the Superintending Engineer, after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specially provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Superintending Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

13. Charges on account of water, scaffolding materials implements for setting out, barricading, clearing site, supply of workmen, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.
